SKIN HEALTH SPA

AESTHETIC CLINIC

Skin Health Spa, one of the UK's leading aesthetic clinics has a comprehensive range of technologies available to help you achieve your goals. Our highly qualified team of aestheticians, nurses and doctors are here to help you discover the new you. We believe that every person is unique and as your committed guide in the world of aesthetics we will advise you on the best course of treatment.

Our technologies include:

Muscle relaxant injections ..

for wrinkles, crow's feet, glabella lines and neck.

Hyperhidrosis treatment.. for excessive sweating

Collagen replacement treatments..

for lines and wrinkles such as nasal labial folds, glabella lines, lip and cheek augmentations and sculpturing.

Mesotherapy..

for cellulite, anti ageing and firmer skin on the face and body.

Laser and Intense Pulsed Light (IPL)..

for permanent hair reduction, and vascular treatments such as facial and leg veins, red veins, spider veins, rosacea, birthmarks and port-wine stains.

Laser and IPL, Microdermabrasion..

and Chemical Peels: for acne, scarring, pigmentation (age spots, liver spots, sun damage and sun spots), skin rejuvenation (lines and wrinkles, skin tightening, improvement of skin texture and clarity).

Cosmeceutical Products..

To enhance and prolong your results we recommend the use of quality skin care cosmeceutical products from companies such as Jan Marini, Dermaquest and Neo Strata. We provide free skin assessments - please ask for details.

Call, e-mail or visit any of our clinics to book your free consultation with one of our practitioners and find out how we can help achieve your dreams today!
